**Topics Discussed:**

What should change in the work done until now; Sequence and Collaboration Diagrams; Idea Flow Diagrams

**Decisions Made:**

We reviewed what should be changed in the work done until now with the help of our lecturer, M. Sc. Ari Gjerazi.

We also decided that there should be some changes in the Sequence and Collaboration Diagrams. There are going to be 10 Sequence Diagrams and 10 Collaboration Diagrams as follows:

- |                              |                                     |
|------------------------------|-------------------------------------|
| 1. Login                     | 6. Search and Edit a Pet            |
| 2. View & Edit Profile/User  | 7. Add Products and Generate a Bill |
| 3. Create New User           | 8. Feedback                         |
| 4. Fire or Transfer Employee | 9. Appointment                      |
| 5. Add New Pet               | 10. Logout                          |

For each sequence diagram, there should be a collaboration diagram.

As per the Idea Flow Diagrams, we decided that there should be 5, one for each user.
